

## **I NEED TO HEAR YOUR VOICE**

*Words by Georgian Banov*

*Vocal Solo by Christina Dent*

Father, Father can you hear me  
I need you more than I can say  
My lonely heart is breaking  
I can't go on and live this way

Who have I beside You?  
That can bear my shame  
There's no one like You  
Who can feel my pain  
I need to hear Your voice  
Calling me Your friend  
Knowing you'll be with me  
Till the end

My God have You forgotten  
How You held me by the hand  
You used to share Your love for me  
When will I hear Your voice again?
